Total estimated Subs of 3838 (1570 in 2009, then 1863, 1961, 2216, 2106, 1879, 2096, 2225, 3085 and 3338 in 2018)

Sub numbers are estimates as some NTOs offset postage costs with subs and some subs fall in different accounting periods.

We maintain balance in the 3 above currencies to have balances to cover costs when due.

However with lower cash balances recently, more often we have had to pay conversion costs.

Most of the Subs paid in Euros are converted into Sterling on receipt (and accounted for in Sterling)

Typically only website renewals have Paypal and postage costs. Face to face renewals have less cost, thus a discount.

We had already paid for majority of 2019/20 gift costs in the 2018 accounting year.

We had a £500 credit as a charitable donation in 2018 which was forwarded to the Blocksfam Project in 2019.

Some NAFC 2019 costs (trophies) were not accounted for in 2019, meaning 2x trophy costs will be accounted for in 2020.

NAFC had a small loss over 9 years, but event should return to small profit in 2020. It has a NAF loan of £284 presently.

Amorical Cup was lent CA\$ 10,790 to be repaid in Q2 2020, if not before.

WCIV was lent extra €13k (further to €15k across previous 2 years).

It is expected the WCIV made a loss and only some of the loan will be repaid. This will depend on merchandise sales.

NAF cannot underwrite events, but sheer scale of WC (and issues) meant the committee agreed to loan extra resources.

After adjusting \$/€ balances into £, NAF has £4,500 of cash and £31,149 lent (WC, Amorical & NAFC) at the end of 2019.

After adjusting \$/€ balances into £, NAF had £9,649 of cash and £15,149 lent (WC & NAFC) at the end of 2018.

I am happy that this represents the income and expenditure of NAF for 2019.
