### **FUMBBL Team Creation and Application to the Tournament**

- Teams should be made via [this link](#)
  - Select your race and team name (see the Useful links section below for advice on making a FUMBBL team)
  - On the team page, **there is no need to change** 'Progression' from 'Standard' to 'None'

- Select all of your players, re-rolls, etc. and click 'submit for approval'
- Ensure your team complies with the FUMBBL disclaimer pop-up
- The following screen allows then you to select your 11 skills for the tournament
  - When 'save' is pressed to confirm your skill choices, there is no pop-up or conformation screen. You can check your skills have saved correctly by navigating away from the screen and then checking 'Team Options' on your team page
- NAF coaches should record their NAF nick (if different to their FUMBBL username) and NAF number in the team bio section following team creation. This will help us in the future recording and ranking of online games
- Mentioning the Squad name in your team is also recommended.
- Inducement(s) you wish to use must be left out of your team creation process and listed in the team bio
- When you play a match in the tournament, select your listed inducements when the client loads up as you would normally by spending your remaining treasury as petty cash
  - It is important that you only use the inducements that you have declared in your team bio
  - If non 'rostered' inducements are selected in the client by a coach, the match result will be void and the game awarded to the opponent
  - At discretion of the opponent coach unapproved inducements can be just ignored (if possible, not possible for babes for example) and otherwise a reset of the game can be ask from any official fumbbl admin (either through discord or through a support ticket on the site)
- When teams have been created, they must be applied [here](#)
- More information on how to apply your team can be found in this [Youtube video](#)
- Please note that technically it is not possible to match team vs team, but each team member plays in a separate group for as many individual points that are then added up.

### **Other Rules**

- Please endeavour to complete your games. PM your opponent as soon as you can and organise a time to play
  - If agreeing a time is proving difficult, PM your division admin as soon as possible
- Games will be forfeited promptly to begin new rounds
- In the event you forfeit a game without a valid reason, we reserve the right to temporarily exclude you from future NAF sanctioned online events for a short time
- Games will be recorded as Online NAF games on the-naf.net. Forfeits and games against non NAF members are not recorded

### **Winners and Glittering Prizes**

- For the Amorical Cup I have not yet a confirmation on prizes, but some goodies might be in play depending on stock levels.
