## **NAF WEEK 9: HEADLINES**

### **The Bullet is Back**

Lucien Swift made a sensational return from injury, powering the Galadrieth Gladiators to a huge victory against the Dwarf Giants. The loss is a serious blow to the Giants title charge as their NFC North rivals the Vynheim Valkyries won to go 9-0.

### **You Can't Keep a Good Orc Down**

The Orcland Raiders dealt a mortal blow to the Gouged Eye's AFC title aspirations by beating them in the much-anticipated Orc derby at the Doom Dome. The game proved to be just as bad tempered and violent as the pre match hype had suggested. Raiders' captain Grishnak Goblin-Throttler was knocked out the game early by his arch-rival, Varag Ghol-Chewer, but, when the game was on the line, he declared himself fit, re-entered the game and orchestrated the winning touchdown.

### **Snivel: The Dream is Over**

After 8 weeks of failing to score a single Touchdown, the Lowdown Rats finally managed to breach the goal-line twice in their defeat to the Champions of Death. Until that point many had been tipping them to break the Hobgoblin teams' all time record for not scoring, however the two scores have dashed those hopes. Downcast Rats owner Grimy Snivel opined postmatch, "The dream is over.

### **No Place Like Home for the Unicorns**

The Everbold Unicorns dramatically upset the heavily favoured Creeveland Crescents with some help from the freakish stadium. With the scores tied, the Crescents thought they'd win. When catcher Marcus Mercury entered the endzone, however, on closer inspection it was revealed he was in the Crescents end zone! The Crescents players had become disoriented by swirling mists and strange lights as they pressed for the winner,

### **Cowboys March On**

The Darkside Cowboys maintained their excellent season with a close victory against the Dwarf Warhammerers. The Warhammerers pinned their hopes on Bazuka expert Barik Farblast, to move the ball down the field. Despite some early success, Hubris Rakarth stopped this tactic by the use of well-timed elemental spells, the Cowboys spellcaster ended the game with 2 interceptions.

### **All Eyes on the East**

The Chaos All-Stars and Khain's Killers remain locked in a thrilling race for the AFC Eastern division. Both teams won their games, the All-Stars made short work of the Southstorm Squids and the Killers beat the Bright Crusaders in a scrappy game.

**3-2**

**BLUEBAY  
CRAMMERS**

The Bluebay Crammers are 1-0 down to the Greenfield Grasshuggers, they need something big to turn this game around, Bob"

"Yeah, Jim. Look at the determination on ol' Puggy Baconbreath's face. After all these years, he's still got the hunger."

"Puggy's calling an audible. Oh, this is interesting, it looks like they're going for the Jumbo package."

This is a risky play, Jim. The way the Grasshuggers defense is playing today, they'll be licking their lips, at this opportunity.

"It's a blitz! Greenfield will do anything to get their hands on that giant hot dog, Bob!"

"You betcha, Jim, it's a whopper, whoever eats that one may break the all-time record!"

"Yep, either that or break their belt buckles, old buddy!"

Before, during and after the big match, Wormhowl Greyscar wouldn't drink anything other than CHAOS COLA. It's not just the refreshing sulphuric fizz that Wormhowl craves, it's the exciting blend of four, yes four, chaotic flavours that are packed into each bottle. One sip of this stuff and he's ready to take on the whole Empire single-handed, and if I were that pretty-boy Karl-Franz, I'd step out of his way- 28 fatalities last season can't be wrong!

THROTTLER AND VARAG  
GHOUL-CHEWER HAVE ONE  
OF THE BITTEREST RIVALRIES  
IN THE NAF**

***Sports KILLERSTRATED*  
DISCOVERS HOW IT ALL  
BEGAN...**

There can be no doubt that the two most exceptional Orc players of the NAF's modern era are still playing the game. The Orcland Raiders' formidable star Thrower, Grishnak Goblin-Throttler and the Gouged Eye's merciless Blitzer, Varag Ghoul-Chewer have both captained their respective teams to glory, and both are guaranteed a place in the prestigious Hall of Fame at the end of their careers. However, it is the fact that they are the bitterest of rivals that really grabs the headlines.

Games between the Raiders and the Eye are hotly anticipated. The build-up begins weeks in advance with the press and Cabalvision channels being full of the various threats and insults that Grish and Varag hurl at one another. When they finally do take to the field, the games are memorable only in the way a riot is memorable- The ball is immediately forgotten as the games

descend into an undignified scrum of gnashing teeth and knees hitting groins. Thanks to this, it's always a massive hit with the fans, sometimes it can draw viewing figures not far off the Blood Bowl final itself!

The rivalry has become such a well-established part of NAF lore that many fans have now forgotten how it all began! Believe it or not, it only dates back to the 2483-84 season. There had always been a simmering tension between the two captains, but it really became nasty when the more established Goblin-Throttler lost out to Ghoul-Chewer for a lucrative Orcidas codpeice promotion. Grish, however, had the last laugh, leading the Severed Heads to glory in Blood Bowl XXIV. This win was intolerable to Varag for two reasons, first, it meant 'Dat Poncey Chucka,' (as he affectionately called his rival) was the undisputed top Orc player, and second, it totally eclipsed his team's recent victory in the Chaos Cup.

As was customary, the winning captains were invited to a formal banquet celebrating their teams' victories. Anticipation of this meeting was high. When the Orcs finally arrived at Altdorf's exclusive Gritz hotel, the atmosphere was more like that of a cage fight than a formal ceremony. The initial toasts passed without incident (much to the audience's disappointment), but the simmering animosity finally boiled over into bloodshed, when Ghoul-Chewer used his speech to accuse Goblin-Throttler of being able to read!

The ensuing punch-up caused a shocking one million gold crowns worth of damage to the hotel, and over 50 casualties. Subsequently, both captains received a three-match ban by the NAF. Grish, however, was unrepentant, he later claimed "yer can insult me muvver, but accusin' me of being literate... I 'ain't gonna put up wiv dat!".

# STAR Spotlight

## Jem Goldstar

The Athelorn Avengers' Thrower Jem Goldstar has experienced a roller-coaster career, full of epic highs and devastating lows. The fact that he has excelled as both a Thrower and Catcher is testament to his incredible skills, yet he almost lost it all, thanks to his notorious private life.

Goldstar started out as a Catcher for the Elfheim Eagles and made an instant impact. He was the league's top receiver for his first two seasons, and in 2480, was instrumental in helping them win Blood Bowl XX. However, in 2485, Goldstar left the team in disgrace. His record-breaking success had brought him all the trappings fame and fortune but with it came dangerous new temptations. The entourage of sycophants and hangers-on that followed him everywhere quickly led him astray, and he developed a habit for the illicit Lustrian narcotic Croakane. During that season, he brought a new meaning to the term 'High' Elf as his increasingly erratic behaviour alienated all of his team-mates. By mid-season, he was so delusional, he believed he could catch his own long passes! After a heated confrontation with head coach Perellian Ashblade, where he demanded that he play him as a Thrower and Catcher *simultaneously*, Ashblade, tiring of Goldstar's unprofessionalism, sacked him on the spot.

His glittering career lay in ruins, no other major team was going to risk signing a player with such a terrible reputation. In desperation, he humiliatingly signed a deal with the Greenfield Grasshuggers to play as a Thrower for the last five games of the 84-85 season.

This proved to be the move that saved Goldstar's career. Although they lost all five games, the cold turkey the Halflings served in their post-match feast weaned him off his destructive habit. Clean again, he regained his focus and professionalism.

The new look Goldstar was quickly signed by the Athelorn Avengers. Since then, Jem has not looked back, reinventing himself as one of the NAF's top Throwers, leading many pundits to claim the Avengers have unearthed a hidden, erm, Jem! He's also become a high-profile anti-drugs campaigner, most notably, he fronted a series of Public Service Broadcasts this summer called 'Just Say Gnome!'

## LOW EXPECTATIONS

### Cold Comfort

Winter arrived with a vengeance in Norsca this week. Amidst the ten-foot snow drifts, gigantic ice floes and frostbite inducing gales, Blood Bowl was still being played, in fact, the unbeaten Vynheim Valkyries were loving every frozen minute of it, especially since their next opponents were the craven Scarcrag Snivellers

Despite their many failings, the Snivellers do go to great lengths to analyse their opposition, although, in their case, 'great lengths' means they make a cursory check of where they're supposed to be playing next Moonsday.

Noticing their next game was in Vynheim, their coach remembered the weather in Norsca was, in his own words, "%&@\$ing freezing". Armed with this knowledge, he informed their kit

manager to pack as many thermal loin cloths, hot water bottles and woolly hats he could find. Unfortunately, the said kit manager completely misunderstood the instructions, and instead packed light summer clothes, thinking the match was taking place in the sweltering jungles of Lustria, (I mean, who hasn't mistaken Norsca for Lustria at some point in their life?).

The mistake was discovered too late and the Snivellers took to the brutally cold field dressed in clothes more appropriate for a tropical jungle than arctic tundra. A 0-3 loss ensued. Amongst their casualties that day were 10 cases of frostbite, 4 deaths from hypothermia, and 1 player hospitalised when his half time orange froze to his tongue. Unsurprisingly, the Snivellers headed straight back home post-match, to thaw out. The only thing they left was an incredibly lifelike snowman, his face frozen in terror, who bore an uncanny resemblance to their hard of hearing kit manager!

**AN EAR-BASHING!**

**I KNOW I KNOW, DON'T EVEN THINK ABOUT MENTIONING IT. THE EYE LOST. NOBODY, AND I MEAN NOBODY, NOT EVEN THE CHAOS ALL STARS THREE EYED KIT MANAGER, SAW THAT RESULT COMING. IT'S DEVASTATING FOR ME, FINANCIALLY, AT LEAST, AS I HAD A LOT OF MY GOLD BET ON THE REDS, BUT IT JUST GOES TO SHOW ANYTHING CAN HAPPEN ON ANY GIVEN DAY IN THE WORLD OF SPORTS.**

**DID WE GET TOO COMPLACENT ONCE GOBLIN-THROTTLER CAME OFF THE PITCH? MAYBE. IT WAS A RIGHT GOOD RUCK, WITH SOME DECENT BALL SKILLS THROWN IN. STAR BLOCKER DA ROCK MADE A GOOD IMPACT IN THE GAME, AND AS ALWAYS VARAG CHOUL-CHEWER WAS MVP FOR THE GOUGED EYE,**

**ESPECIALLY WHEN HE GOT GRISHNAK OFF THE PITCH WITH A WELL TIME ELBOW TO THE SKULL, KNOCKING THE BIG GREEN BLITZER OUT OF HIS BOOTS!**

**BUT THINGS SEEMED TO GO DOWNHILL THEN. AMAZINGLY A BUNCH OF RAIDERS PLAYERS (WHO I NEVER BOTHERED TO LEARN THE NAMES OF) MANAGED TO PULL SOME MAGIC OUT OF THEIR COLLECTIVE SLEEVES, AND SCORE SOME TOUCHDOWNS. I THINK THE SWAMPY MUD PIT THAT THE RAIDERS CALL A STADIUM JUST SAPPED OUR BOYZ OF THEIR ENERGY AND WORE THEM DOWN.**

**AND THAT'S WHEN GOBLIN-THROTTLER CAME BACK ON THE PITCH AND SCORED THE WINNER. I'M PRETTY SURE THERE WOZ SOME CHEATIN GOING ON, THE WAY HE HAD THE GREEN HAZE AROUND HIM, AND HOW OUR BEST BLITZERS COULDN'T GET ANYWHERE NEAR HIM, AND THE WAY HE CAME ONTO THE PITCH ALREADY HOLDING THE BALL LIKE IT WOZ GLUED TO HIS HAND. MAKES YOU THINK DOESN'T IT. ANYWAYS, REIKLAND WON AGAIN IN ANOTHER BORING ONE SIDED MATCH, SO THAT PUTS US FIRMLY IN SECOND PLACE IN OUR DIVISION.**

**BUT THE ICING ON THE CAKE, PUN INTENDED, IS THAT THEY HAVE PUT SOME ZOGGIN HALFLING PIE EATING CONTEST AS GAME OF THE WEEK! EDITOR NEEDS TO HAVE A WORD WITH HIMSELF.**

# FRAN FRANKOFRANKERSON REPORTS

"Before we go back to our regular coverage of '90 Day Nurgle Fiance' we go live via Hyper-Cabalvision to some exciting happenings going on over at the Palace of Eternal Suffering where a shock might be on the cards!

PIERCE D'ORCOW

"Thank you Pierce, I'm John Flotsam and yes you join me here at the home of the Chaos All-Stars, where something really quite remarkable has happened, the Southstorm Squids have taken a shock lead!"

JOHN FLOTSAM

"The owner of the All-Stars, Prince Dorian certainly is lost right now as the lowly ranked Squids have managed to sneak one past Sark Four Eyes and run in an opening touchdown!"

"He's your replacement Fran."

"You're terrible Fran. You were sick on live Cabalvision last week. People come here to enjoy Blood Bowl Fran, not deal with your pathetic nonsense."

"Well that's quite the shocker viewers - not only did the All-Stars fall behind shockingly - but long time incompetent sports 'presenter' Fran Frankofrankerson seems to have been replaced by a dynamic new presenter too!"

"That's what got you into this trouble in the first place! And the only thing that will be making a comeback today is those amazing All-Stars, who in the space of this conversation are now 2-1 ahead!"

## ***BIGGEST GAMES: WEEK 10***

### **Dwarf Giants (6-2-1)**

vs

### **Vynheim Valkyries (9-0)**

This season, the NFC North is a two horse race between the Dwarf Giants and Vynheim Valkyries. A win for the Valkyries would put give in a near unassailable lead in first place.

### **Creeveland Crescents (7-1-1)**

vs

### **Dwarf Warhammerers (5-4)**

After a great start to the season, the Creeveland Crescents experienced a wobble in their unexpected loss to the Everbold Unicorns. The Dwarf Warhammerers will look to capitalise on this when they face-off next week. Another loss for the Crescents will narrow their lead and give the Warhammerers hope.

### **Chaos All-Stars (9-0)**

vs

### **Bright Crusaders (5-4)**

The unbeaten Chaos All-Stars will be looking for another win against their divisional rivals, the Bright Crusaders next week. With the All-Stars facing a stiffer than expected challenge from the 8-1 Khain's Killers

### **Elfheim Eagles (7-2)**

Vs

### **Bruendar Grimjacks (5-3-1)**

Despite leading the AFC West, the Elfheim Eagles have disappointed many who backed them as dark horses for the Blood Bowl at the start of this season. The Grimjacks may stand a better chance of orchestrating an upset than many believe.
