BLOOD BOWL

SEMI FINALS

**REIKLAND
REAVERS**

3-0

**WESTSIDE
WEREWOLVES**

It's a three-peat for the mighty Reikland Reavers as they return to the Blood Bowl for the third time in as many years. The Westside Werewolves struggled to find their inner animal and Reikland fully capitalised on their lacklustre performance.

"That win was almost very good."

**Helmut Zwimmer
Head Coach Reikland Reavers**

"I DON'T LIKE TO MAKE EXCUSES, BUT HAD IT BEEN A FULL MOON TONIGHT, THIS RESULT WOULD HAVE BEEN VERY DIFFERENT."

**LUCIAN MODERE
HEAD COACH, WESTSIDE WEREWOLVES**

KHAIN'S KILLERS GAVE A SPIRITED DISPLAY, BUT ULTIMATELY, THE SUPERIOR TALENT OF THE GOUGED EYE'S STARS WON THROUGH. MVP BLOCKER RIP SOREPAIN HAD A GREAT GAME, DECIMATING THE KILLERS' OFFENSE AND ALLOWING THE GOUGED EYE TO INEXORABLY GRIND THE DARK ELVES DOWN INTO THE DOOM DOME'S ASTROGRANITE. THE EYE RETURN TO THE CHAOS CUP FINAL AGAIN, CAN THEY GO ONE BETTER THAN LAST SEASON BY WINNING THE CUP?

Hmmmmph, who cares about this trifling pot anyway. The Orcs are welcome to such an ugly piece of silverware."

The Killer's lone scorer, Micah Snipe, gets snippy.

"I S'POSE DAT MAKES US DA KILLERS KILLERS! HUR, HUR, HUR!"

MIDDENHEIM
MARAUDERS

The Middenheim Marauders emerged victorious from this exciting game. The game was finely balanced right up to the final touchdown. A magnificent goalline stand by the Marauders saw the Renegades reduced to 8 players, Middenheim exploited this fully, driving down the field for Thrower Gulden von Sulkhof to sneak over to score the winner.

Jim Johnson: "I'm here with Withergrasp Doubledrool. Withergrasp, a great win for the Marauders today. Your two touchdowns were instrumental in the victory. Talk us through that amazing second touchdown."

Withergrasp: "Well, I saw a gap open up on the line of scrimmage and I decided to run to daylight."

Withergrasp's other head: "Oh, YOU decided to run to daylight, did you? Don't listen to him, Jim, it was my idea, actually."

Withergrasp: Look, didn't we agree to let me do the postgame interviews?"

Withergrasp's other head: "Yeah, but we also agreed on using the first-person plural pronoun too, but you seem to have conveniently forgotten that when it comes to personal glory."

"AS A DARK ELF, I HATE MOST LIVING THINGS. BUT THERE'S SOMETHING I HATE EVEN MORE, AND THAT'S LOSING!"

CHAOS CUP FINAL PREVIEW

CHAOS CUP FINAL

Gouged Eye

Middenheim Marauders

The first grand final of the season kicks off next week with the Chaos Cup. With a history that stretches back to the early years of the game, the Chaos Cup is second only to the Blood Bowl in prestige. Both the Gouged Eye and Middenheim Marauders have had excellent seasons, both being in contention for the Blood Bowl until the end of the season. Both teams will be keen to end the season with another trophy in the cabinet, even if this trophy can eat you alive!

Here's how the match up:

BLITZERS

Marauders: A team that boasts the defensive talents of Karla von Kill and the rushing paces of Withergrasp Doubledrool is going to be hard to beat.

RATING: 9

Gouged Eye: Varag Ghou-Chewer is, quite simply, the best blitzing blitzer in the NAF. His ability to break the opposition's lines on offence and defence is unrivalled. But it is his leadership ability that gives the Eye the edge. Krug Painspear is unsung by comparison, but, have no doubt, he is one of the best offensive Blitzers in the game.

RATING: 10

THROWERS

Marauders: Gulden von Sulkhof has had an impressive season, orchestrating the Middenheim offence. What he lacks in arm strength he makes up for with his coolness under pressure

RATING: 7

Gouged Eye: Harg Vainkill has proven himself to be one of the best Throwers in the NAF. The elegance of his precise passes have actually led to boos from some of the Eye's faithful for being "too much like dem poncy Elf's"

RATING 9

KICKERS

Marauders: Jameus Kaiser and Punt O'Hamlet have both had quiet seasons

RATING: 6

Gouged Eye: Trok Elfsplitter and Durg Muglurk have shown themselves to be adept at kicking the ball and oppositions heads

RATING 8

CATCHERS

Marauders: Summer signing, 'Big' Gunn Schonn has been the main beneficiary of the Marauders powerful running game. Exploiting the gaps in opposition defences. Heckle Flurburg made a good recovery from last season's injury to have a strong season.

RATING 8

Gouged Eye: The return of albino sensation Osgar Vilechuck has undoubtedly helped Vainkill's completion percentage this season, however, the Eye's duo of Catchers have found more action as deep lying defenders, where their coverage has neutralised many high calibre offenses.

RATING 6

BLOCKERS

Marauders: The Marauders quartet of Blockers are a wild bunch. The excesses of half-orc captain Uthar Hagg and oversized minotaur Massif 'Hungry' Bofine is counteracted by the ever dependable Spencer von Lankyburg and Roight Claene

RATING 8

Gouged Eye: Much of the Eye's fearsome reputation stems from their deadly blockers. Rip Sorepain and Urfrick Skullhack are never anything less than homicidal maniacs. Newcomer G'Haarg Swordbiter has forced his way into the first team and has made them a force to be reckoned with.

RATING 10
