BLOOD XXIX BOWL

PRE-GAME SNOW

ORCLAND
RAIDERS

REIKLAND
REAVERS

"Welcome sports fans. My name's Jim Johnson and I'm here at Aلدorf's magnificent Empire Stadium, for what is the grandest of grand finals. Yes, it's 'Super Stunned-day'... Blood Bowl XXIX!!! To help me call the game, I'm joined here in the commentary booth by Bob Bifford. Bob, this is the big one isn't it."

"Oh yeah, Jim, it's huge, HUGE. Seriously, would ya look at the size of this spamburger I just got, It's a whopper! I ain't gonna need to eat for a week after this!"

"The game's pretty big too, old buddy!"

"The Reavers will undoubtedly be hoping the result is better than that game, Bob"

"Yup, and I know that still annoys Griff to this day."

"The problem was the nose belonged to the referee, Bob"

"I know they had trouble selecting a neutral referee for the final, Bob."

"That's right. In the end Mr Jedediah Sinbin of Naggarond got the gig. He says both the Reavers and Raiders can be assured of his impartiality; he hates Humans and Orcs equally!"

"Game, wha..!? Oh, yeah, the game! Boy oh boy. The Reavers vs the Raiders, it's 2483 all over again!"

"Well sure, Jim, if you remember, the rookie Griff Oberwald was suspended for that final."

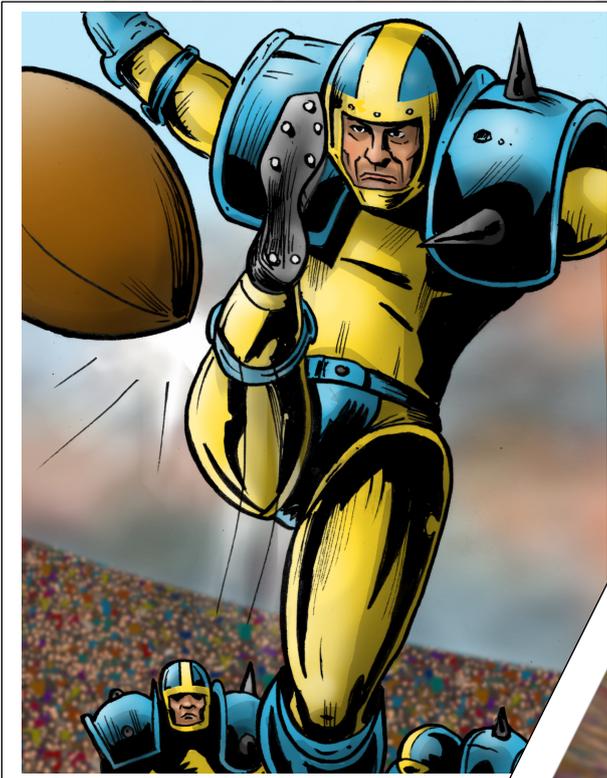

"Heh, I'm not surprised. I mean, who doesn't want to see a tackle account for three ears and a nose? He was just giving the fans what they want to see!"

"I rest my case, Jim. Whatta buncha killjoys!"

"yeah, the NAF's two best officials are Gort Kindersnap and Max Mittleman, but since both are ex-players for these teams, they were ruled ineligible."

BLOOD XXIX BOWL

1 ST HALF		
ORCLAND RAIDERS	0	
REIKLAND REEVERS	0	

“So, it’s the Reavers to kick-off. Ivan Kellhooper kicks the ball deep into Raiders’ territory. Skullhack takes it. The Raiders’ blockers form a defensive wall around him and start charging up the field. All Eleven Reavers are running headlong to meet them!!!”

“Oooohh, here we go, Jim. There’s gonna be one heckuva collision at mid field...”

“There it is! BAM! And the crowd go wild as Gruff Hackson’s shoulder pad makes contact with Skurf Limbrender’s midriff!!!”

*“Woo-Hoo, It’s the **FIRST DOWN!!!**”*

“Yes indeed, Bob. It’s always a special moment when we see the first player knocked down in a game, and it’s even more special when it’s in the Blood Bowl final!”

“Yup, It’s Champagne for Hackson, and real pain for poor old Limbrender!”

BLOOD XXIX BOWL

1 ST HALF		
ORCLAND RAIDERS	0	
REIKLAND REAVERS	1	MEISSAN:

"This move looks promising for the Reavers. Jacob von Altdorf tosses a short pass to the waiting hands of Griff Oberwald. Griff shrugs off the defender, and he's away down the sideline! Grishnak Goblin-Throttler attempts a diving tackle on Oberwald ... Wow! Amazing footwork by Griff to avoid that tackle, and..."

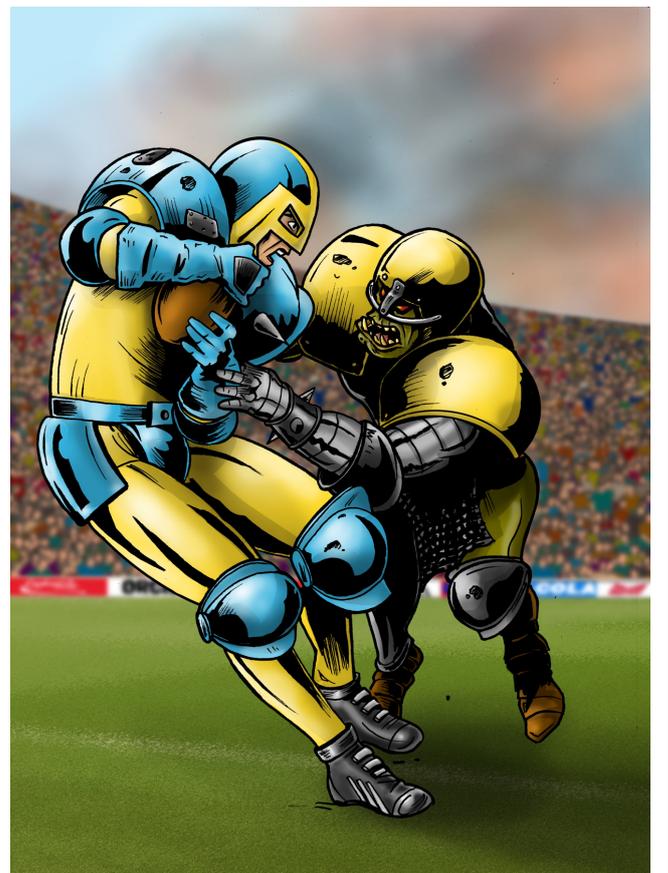

Wait! The Ref's blown his whistle, Jim"

"It looks like Oberwald has stomped Grish's hand as he made that move, Bob."

"Goblin-Throttler looks in agony, that was his throwing hand. Now the ref's calling for a review. Griff could be in trouble here, Jim!"

"You can feel the tension in the stadium as the Cabalvision team are casting the replay spell for the referee."

"There it is. Oooh! When you see it played back in slow motion it looks incriminating!"

"Mr Sinbin is calling Griff over, and... and- he's congratulating him?! Huh? I don't get it, Bob?"

"You know the Dark Elves, Jim. They'll let you get away with murder, so long as you do it with a bit of style!"

HALF TIME		
ORCLAND RAIDERS	1	SHULL-SMASHER:
REIKLAND REAVERS	1	MEISSAN:

“That was some first half, Bob. The scores are tied at 1-1, the Reavers have done a good job of keeping Grishnak Goblin-Throttler quiet.”

“I think it’s got a lot to do with the fact that he’s got the imprint of Griff Oberwald’s Orcidas boot on his throwing hand, Jim.”

“Well, whilst the Raiders’ apothecary gets to work on Grish, the capacity crowd here in the Empire Stadium are in for an absolute treat. Yes, it’s the Blood Bowl half-time show!”

“Boy oh boy oh boy, I’ve been lookin’ forward to this all year! They’re gonna have to go a long way to top last year’s Dwarf tossing contest!”

“Oh, it’s way better than that, Bob. It’s a charity execution performed by the famed Dark Elf singer J’ahh-Net Draxon who will also be singing a medley of her greatest hits, whilst raising funds for Saint Krapp’s Imperial Orphanages.

“Boy, are you sure this is legal, Jim? I mean, it sounds like the kinda thing those Chaos dudes, Khorne or Khaine would do.”

“Don’t worry, Bob, it’s nothing like that. All Draxon’s victims are criminals condemned for capital offenses, and, most importantly, this is all for charity!”

“Well, when you put it like that, Jim... C’mon ya merciless she-devil, get ya axe out!! I wanna see some heads roll!!!

MEISSAN:

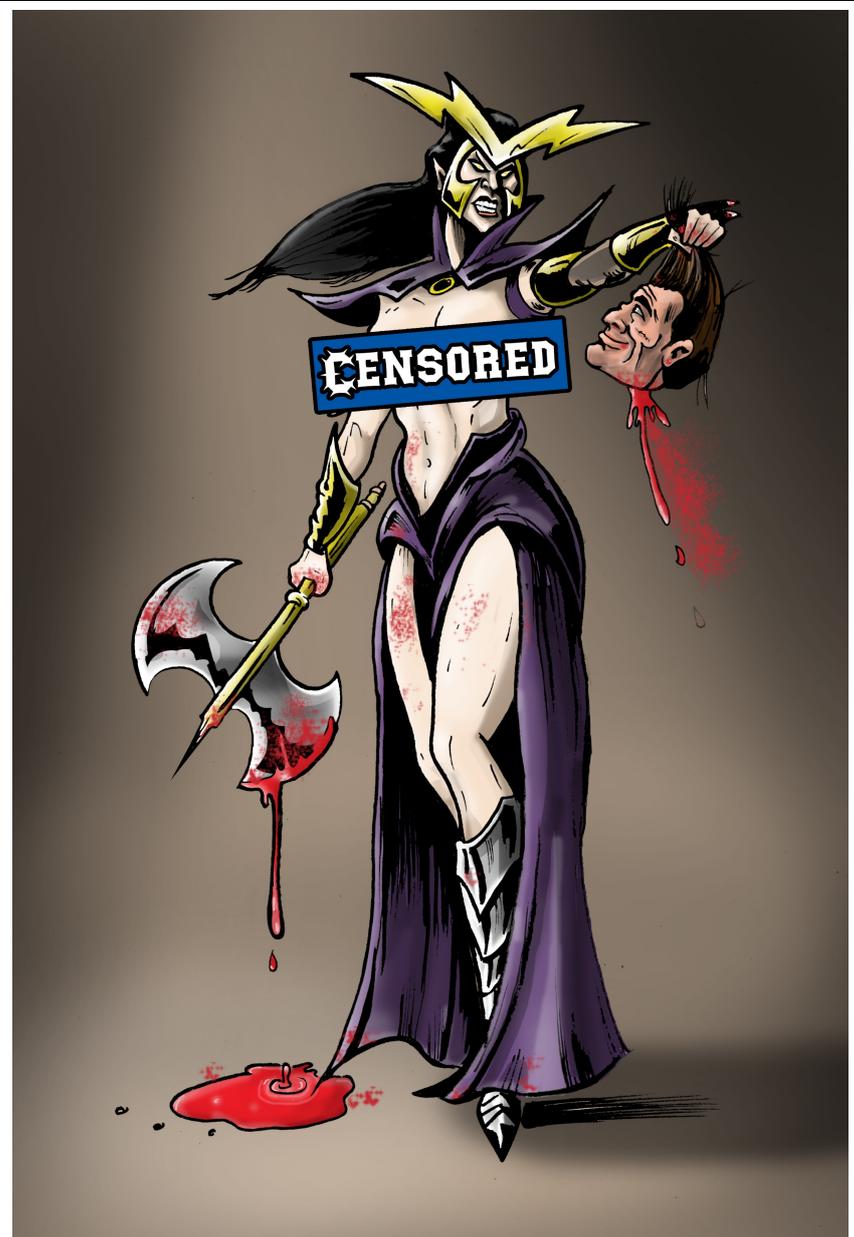

"Just look at her swing that axe, Bob. It's almost as beautiful as her singing voice."

"Swoosh! There goes the noggin of the notorious Reikland Ripper. Imagine it, Jim, being offed by someone who looks like a lingerie model with a 5-foot axe in front of 100,000 screaming fans...What a way to go!"

"In the programme notes, it says she's going to conclude the performance with a nod to her Druchii origins, by making the final executions in the manner of the Witch Elves."

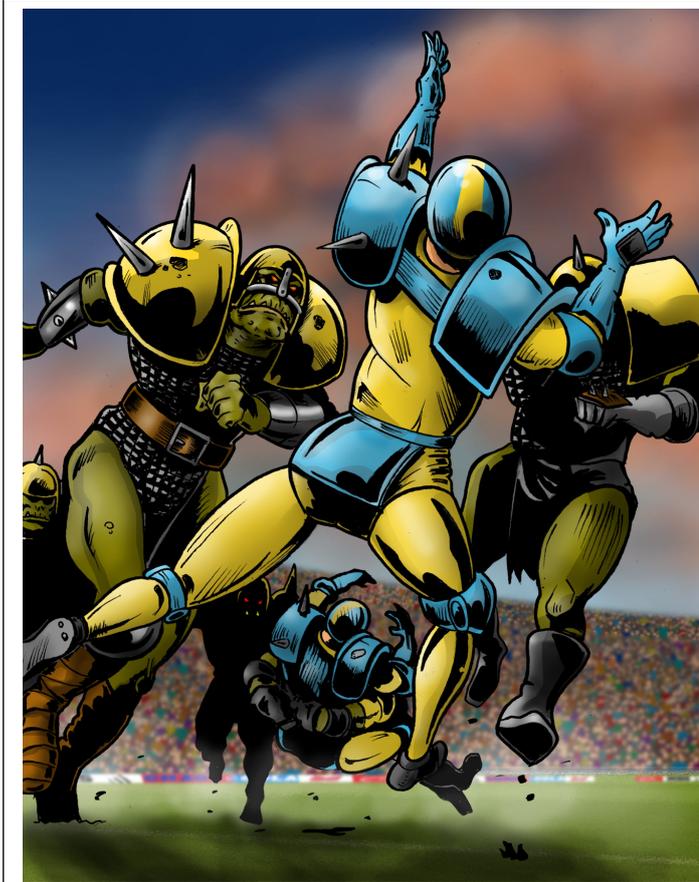

"Here she goes. She's taking off her cloak. Now she removes her, er, brassiere... oh boy! N,now, her undergarments are off (gee, is it getting' hot in here?)...and now- oh boy- she's bathing naked in the pools of blood! And, now... HOLY HELDENHAMMER!!! what's she doin' with that severed head?!?"

***"Oookay. We're going to have to cut away from the half time show, folks!
I'd like to apologise on behalf of the ABC network if anyone at home was offended by that gratuitous display of nudity, you can be assured that this is a family show, and that sort of indecency won't be tolerated while impressionable children might be watching. We'll let you know how the rest of the beheadings went after these messages."***

BLOOD XXIX BOWL

2 ND HALF		
ORCLAND RAIDERS	1	SKULL-SMASHER
REIKLAND REAVERS	2	MEISSAN MEIER

"We're deep into the third quarter of this Blood Bowl final. Currently it's 2-1 to the Reavers. One more score for them and it's game over."

"Looks like the Raiders are going all-in here, Jim"

"They're packing the offensive line with their biggest and most homicidal players: Killgit Toofrippa, Urgash Axebiter, Hakath Skull-Smasher and Skurf Limbrender."

"They're ploughing through the Reaver's defensive line. They need the breakthrough."

"What a hit by Axebiter- BOOM!- Hot diggedy! At last, the Raiders are playing some real 'Dirty-Hurty', Jim."

"They're making great progress up the field on this drive, Bob. Grishnak Goblin-Throttler and the ball are hidden somewhere within that cage of teeth, claws and green muscles!"

"They're at the goal line now, Jim. If they can get past Zug, it'll be clear for Grish to score!"

"That's a big 'if' Bob"

"Has anyone ever checked if Zug's actually a human? I mean, was his mom an Ogre or somethin'?"

"F*#& it, Jim! I had a F*#&n' grand riding on a F*#&n' Raiders win! This game's been F*#&king ponderous, man. F*#&king ponderous."

"Psst, Bob! We're back on air!"

"Oh, shhi...I mean, Hey folks, Weeee're back! Boy, those commercials sure gave me a lot to ponder, ha, ha. But, golly gosh, what a rootin'-tootin' all-action final we're watchin' here tonight!"

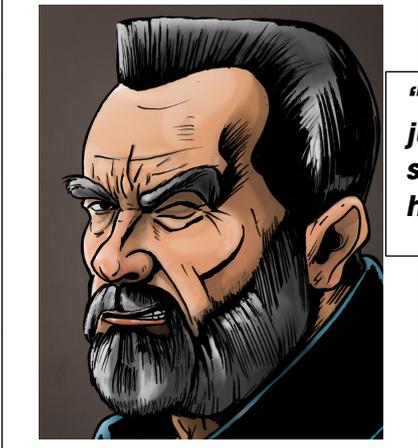

"The Raider's look exhausted, Bob. Coach Zwimmer's play calling has completely bamboozled them."

"And yet he still doesn't smile. He's a hard guy to please, ain't he!"

"Good blocking by the offensive line, Griff breaks loose! OBERWALD SCORES! Game over, man, game over! The Reikland Reavers win the Blood Bowl! The Reavers are world champions!"

"Was that a smile, Jim?"

"Nah, I think he just got something in his eye, Bob."

So, it's Blood Bowl number five for the Reavers! An unprecedented third consecutive final & an unbeaten season

Hoo-Wee, Jim!!!
What with Griff's performances this season, they've broken almost as many records as opponents' bones!

Unsurprisingly, Griff Oberwald has been named the game's MVP

Is this guy for real!? Seriously! He got a full house of stats: He runs, he throws, he fouls, he bashes, he scores, he intercepts! How the heck do you stop him?

Erm, maybe try a Cannonball?

Nah, the Warhammerers already tried that one last season. They ended up losing all their substitutes, half the dugout and ten rows of fans!

The End
