**THE  
CHAOS CUP FINAL  
2489-90**

LIVE AND EXCLUSIVE  
ONLY ON

"Good evening, Blood Sports fans, my name's Pierce d'Organ and I'm your host for what is arguably the second most important trophy in sport, and certainly the only one that can eat you alive. Get ready for the Chaos Cup final... it's terrifying!!!"

"Now, we get a lot of complaints about the number of reruns we show here on the ABC, so before you reach for your quills, let me assure you, this isn't a recording of the 2483-84 final, it just features the same teams! And you really couldn't ask for a better match-up, as two of the AFC's big teams go head-to-head: The mighty Middenheim Marauders, Chaos Cup winners in 2486, face-off against the great Gougued Eye, who last won the cup back in 2484."

"Both teams are packed with star players, Varag Ghou-Chewer, the greatest Orc Blitzter of this, or maybe any generation, leads a Gougued Eye team who are as talented as they're homicidal. On the other side of the field, the Marauders rely on the NAF rushing leader Withergrasp Doubledrool to lead their offense, while their captain, the Half-Orc Blocker Uthar Hagg, terrifies his own teammates as much as he does the opposition."

"Since this is arguably the second most important trophy in the game, we've got some second-rate pundits here in the studio to analyse all the action. Whilst their playing careers weren't much to write home about, they're not short of an opinion or two (and most importantly, they're cheap). Here's Nick Nickson and Gazbag Linchker!"

"Gazbag, you were actually part of the 2470 Gougued Eye team that won the Chaos Cup, although you didn't actually see any playing time. Still, you did a great job fetching Bolg Stone-Mangle's Gatorcade"

**"I WOZ 'OFFISHERALY 'IZ APPRENTICE, I'LL 'AVE YER KNOW. AND, JUST FER DA RECORD, I WOZ ON DA PITCH FER AT LEAST 10 SECONDS."**

## HIGHLIGHTS

"Now, let's go over to our commentary team for today of Bob Bifford and Jim Johnson. Take it away, Jim"

"Thanks, Pierce. It's a sell-out crowd here at the Doom Dome, and for a moment there I thought we'd been invaded by a plague of frogs (just like the 87 final when the Chaos All-Stars pre-match sacrifice was made to the wrong god). Thankfully though, I can confirm it's just all those Greenskins dancing in the bleachers! What an atmosphere, eh, Bob."

"Oh yeah, good buddy. It's an atmosphere you could cut with a knife. And takin' a look at the weapons bein' carried by some of those Gouged Eye fans, I reckon a few of 'em will be givin' it a try! Oh boy, here come the teams!"

"Wow, they've not even done the coin toss, yet and the pushing and shoving has started. It's going to take a strong referee to officiate this one, Bob."

"Yes siree, Jim. They originally had the Halfling Blinky the Shortsighted scheduled to be today's ref, but he dropped out when he saw which teams were playing. Turns out his life insurance policy doesn't cover cup finals! What a spoilsport!"

"Well, it looks like the NAF aren't taking any chances with his replacement, it's the imposing Mr B'kmmm from the Mountains of Mourn."

"I wonder if this new appointment will make Uthar Hagg think twice about continuing his tradition of punching the referee at the coin toss, Jim?"

"There's your answer, Bob! Yee-Ouch! It looks like Hagg just broke his hand trying to punch Mr B'Kmmm's chin! And just to add insult to injury, he's been sent off! What was Hagg thinking?"

"I dunno, Jim? That was a really dumb thing to do."

"I know. You can't expect to get away with assaulting an official in such a high-profile game."

"Nah, what I meant was, it's dumb to punch an Ogre in the jaw, everyone knows our weak spot is on our nose, we hate havin' our good looks messed up!"

## HIGHLIGHTS

*"It's currently all square at 1-1, but the Marauders players are being stretched off at an alarming rate. They need something big on this drive. Gulden von Sulkhof hands off to Withergrasp Doubledrool."*

*"Say, Jim, is it right to call it a hand-off when the other guy has tentacles instead of hands?"*

*"You'll have to take that up with the Society for the Advancement of Chaos Mutants, Bob, because right now Withergrasp is running to daylight! The Eye's defenders are on the backfoot. The offensive line are opening up some holes. Withergrasp picks the right one!"*

*"That's the big advantage of having two heads, Jim, he can see all the possibilities!"*

*"Withergrasp breaks the tackle, he's at the fifty, the thirty, he could be gone! There's only Gurk Halftoad to beat. Doubledrool jukes to the left, now the right, now the left again, now back to the right, what in the Auld World is he doing?! WHAMMO! Halftoad stops him in his tracks! Withergrasp just couldn't make up his mind there, could he, Bob."*

*"That's the big disadvantage of having two heads, Jim, you get caught in two minds!"*

# CHAOS CUP FINAL

**HALF TIME**

*“Mr B’Kmmm blows his whistle, it’s half time, and the score is 2-1 to the Gouged Eye. Harg Vainkill has had a superb half, he’s picked apart the Middenheim defence with his precise passes.”*

*“Crazy, ain’t it, Jim! I mean, is that Vainkill guy really an Orc or is he just an Elf who had an accident with green hair dye? An’ I can tell ya, there’s some Orcs out there in the crowd that’ll find the elegance of those passes to be borderline obscene’?”*

*“I’ll have to stop you there, Bob. Here comes the halftime entertainment. As always in the Chaos Cup final, it’s the Wolfleg Lead Pits Marching Band and Majorettes!”*

*"... and Varag Ghoul-Chewer smashes through the Marauders' defence for the score! That's the third Touchdown, the Gouged Eye win the Chaos Cup!!!"*

*"Woo-hee, what a game Jim! That had everything, touchdowns, fatalities, interceptions, even the Spamburgers were edible."*

"We'd like to apologise to any viewers of a nervous disposition for the scenes you just saw, , We'll be providing the number for a trauma helpline at the end of the show.

"So, back to the game. Nick, tell us, where did the Marauders go wrong?"

**"IT'S SIMPLE PIERCE, TOO MANY NON-HUMANS! TELL ME, WHY IN THE NAME OF SIGMAR, IS A TEAM FROM THE GREAT IMPERIAL CITY OF MIDDENHEIM RELYING ON A TWO-HEADED FREAK, SOME FAT-ASS MINOTAUR AND A LOUSY HALF-ORC CRIMINAL? THE EMPIRE'S FOUGHT WARS TO KEEP SCUM LIKE THAT OUT, AND YET HERE THEY ARE, WEEK IN AND WEEK OUT, TAKING ALL OUR MONEY AND FILLING ROSTER SPACES THAT SHOULD BE RESERVED FOR THE FINE, UPSTANDING MEN OF THE EMPIRE... I MEAN, THEY'VE EVEN GOT A GIRL PLAYING AT BLITZER! AND THEY WONDER WHY THEY LOSE GAMES!"**

"Hmmm, strong views there, Nick. Gazbag- Orc teams do pretty well playing alongside a mix of different races, do you want to start a big argument with Nick for the entertainment of our viewers at home?"

**"ERR, NAH. I AGREE WIV DA UMIE ON DIS WUN."**

"Well, that was awkward. Just in case the Chaos All-Stars, or any other very successful mixed race team, are watching, I'd like to say, on the record, that I think Nick and Gazbag are horrible bigots and when you inevitably come over to beat them up because of what they've just said, remember, I'm just the presenter, and... Woah, woah, woah! Gazbag! Nick! If either of you take one step closer to me... I warn you- this is actually a dagger in my pocket, and I'm not afraid to use it!"

## BLOOD BOWL FINAL PREVIEW

### BLOOD BOWL XXIX

Orcland Raiders (NFC)

Reikland Reavers (AFC)

Blood Bowl XXIX promises to be a classic confrontation of Humans vs Orcs. The unbeaten Reikland Reavers have a well balanced offence and swarming defense. Whilst the Orcland Raiders rely on big plays from their captain Grishnak Goblin-Throttler and big hits from their defence to grind down the opposition. When they met in 2483 for Blood Bowl XXIII it was the Raiders who prevailed, however a rookie Griff Oberwald was suspended for that game. Will his presence change the result this time?

#### **BLITZERS**

**Reavers:** Griff Oberwald has had a superb season, he's established himself as the best Blitzer in the NAF. Should he lead his team to another Blood Bowl, he'll be considered one of the greatest of all-time.

**RATING: 10**

**Raiders:** Although they lack the star power of some of the NAF's Blitzer combinations. Hakath Skull-Smasher and Gobslam Toofsmasha have been the backbone of the teams success this year.

**RATING: 7**

#### **THROWERS**

**Reavers:** Jacob von Altdorf is a staggeringly good player. Although he rarely has to go long, his accuracy at all ranges is deadly

**RATING: 9**

**Raiders:** Some say Grishnak Goblin-Throttler is the only reason the Raiders are in the final, and, yes, despite advancing years, he is the key to their success, but should he be knocked out Greaser Geargrinder is also more than capable of leading the team

**RATING 10**

#### **KICKERS**

**Reavers:** The death in action of Luigi di Passella has caused problems. **RATING: 6**

**Raiders:** The Raiders' Kickers are both deadly and accurate with their booting.

**RATING 8**

#### **CATCHERS**

**Reavers:** The only reason Gregor Meissan and Ben Jansen haven't scored more this season is due to the fact Griff Oberwald has dominated the scoring. Both are quick with great hands.

**RATING 9**

**Raiders:** Urgar Rancid and Griskar Skullhack are the best duo of Orc Catchers in the NAF. So long as Grish has one of them to aim at, the Raiders are never out of a game.

**RATING 8**

#### **BLOCKERS**

**Reavers:** One word, Zug. Although Griff gets the headlines, the Reavers giant Blocker is the silent partner in his success. As strong as an Ogre but vastly more intelligent, his presence on the line of scrimmage is a big factor in the Reavers' unbeaten record

**RATING 10**

**Raiders:** Many thought losing fearsome Ogre Blocker Grunk H'thon would damage the Raiders chances, in fact it seemed to revive them, Their quartet of Blockers have a knack of being able to knock out the oppositions key players. Whilst, their defence has suffered due to their propensity to blitz, the damage they cause has set up several impressive wins..

**RATING 8**

#### **LINEMEN**

**Reavers:** The Reavers' quality goes all the way through their roster. They have not just one but two star linemen: Ziggy Abschuss and Ritter von Baum. Both of whom have an uncanny ability to read the game and always seem to be one step ahead of their opponents.

**RATING 10**

**Raiders:** Cruel eye has rotated his linemen this year and what it has revealed is the depth of the squads talent. The Linemen may be unsung, but they are the iron clad backbone of this team.

**RATING 8**
